

Dinosaur Nest Census

Hint cards - level 1 (spoilers; keep with host)

1. Strip

Compare position 1 with position 1, not with a nearby matching shape.

2. Observer

No item can belong to two people. Cross out each forbidden pairing.

3. Survey

The printed cards are deliberately out of order.

4. Nest

Start at N and check every letter.

5. Point

Move one square for each arrow. A revisit still counts as a move.

6. Final

Keep all five named badge results beside this sheet.

Dinosaur Nest Census

Hint cards - level 2 (spoilers; keep with host)

1. Strip

Position 1 is one difference: hexagon in A, square in B. Mark it once.

2. Observer

Val cannot have two items, so Val must have Card.

3. Survey

Read chart must come first. Work out which action comes directly after it.

4. Nest

The exact word starts in row 3, column 1. Check its letters against the target.

5. Point

After the first 4 arrows, you are at row 1, column 3. Continue from there.

6. Final

Begin with Nest, then Strip.

Dinosaur Nest Census

Hint cards - level 3 (spoilers; keep with host)

1. Strip

Compare the remaining numbered pairs one by one. Add one mark for each unequal pair, then count all your marks.

2. Observer

Cross Card off for the other two people. Apply the last NOT rule, then find Wes's item.

3. Survey

The first two actions are Read chart, then Check nest. Finish the chain and read position 3.

4. Nest

In that row, copy column 5, the cell immediately after the complete word.

5. Point

From that checkpoint follow left, down, right, down. Copy the last cell.

6. Final

Copy one digit per printed badge box from left to right. Do not sort by clue number; zero remains a digit.
