

Dusk Observatory Shift

You're invited to a mystery!

Join Birthday Explorer for Dusk Observatory Shift.

The crew needs a slot long enough for setup and travel before the observing window closes. Work together to rebuild the dusk observing schedule.

Date: _____

Time: _____

Place: _____

Bring your curiosity. Paper and pencils are provided. Share ideas and solve six clues together.

Designed for ages 8-10. Estimated 35-50 minutes.
