

Friendly Dragon Delivery

HOST ONLY - preparation and story

Includes answers. Keep these pages with an adult.

A dragon courier needs a checked delivery plan. Three gates have different keepers, a winding route has one open exit, and the flight steps are out of order. Collect five named badge digits and use the final sheet. Every clue is on the table; ask the host for one hint at a time.

1. Print one player pack and two record sheets per team. Keep the host answers and all three hint levels with the adult.
2. Keep every clue as a full sheet at one table. Put the final sheet face down until all five results are recorded. Nothing needs cutting, folding or hiding.
3. Give each child a pencil. Choose a reader, recorder and checker, and swap jobs after each clue. Use one team for 2-4 children or two teams for 5-6.

Players: 4; teams: 1. Print one player and prop set per team. Invitations and certificates: 4 each.

Paper and pencils are enough. Keep whole sheets at one table; nothing needs cutting, folding or hiding.

Friendly Dragon Delivery

HOST ONLY - solution guide

1. Keeper: 0

Ember has Box; Pip has Scroll; Fern has Bag. Ember's item gives 0.

2. Gate: 1

The open corridor from S reaches row 5 column 5, exit 1; the other labelled exits are separated by walls.

3. Flight: 6

The only order is Read address > Pack gift > Check gate > Deliver gift. Position 2 carries 6.

4. Load: 7

Remove 4 from 18; share 14 among 2 parcels to get 7. Check $2 \times 7 + 3 = 17$.

5. Code: 1

The decoded word is WING; its row gives 1.

6. Final: 61071

Start > Stop 1 > Stop 2 > Stop 3 > Stop 4 > Stop 5 > Finish; Flight > Code > Keeper > Load > Gate
