

Lunar Cargo Manifest

Hint cards - level 1 (spoilers; keep with host)

1. Stock

The missing amount is a return into stock. The cancelled delivery never happened.

2. Crew

No item can belong to two people. Cross out each forbidden pairing.

3. Unload

The printed cards are deliberately out of order.

4. Mass

Loose units are not parcels. Every parcel has equal weight.

5. Slot

Columns A-D run left to right. Rows 1-3 run top to bottom.

6. Final

Keep all five named badge results beside this sheet.

Lunar Cargo Manifest

Hint cards - level 2 (spoilers; keep with host)

1. Stock

Start with 10. Apply +4 then -1. Ignore the cancelled +7.

2. Crew

Ren cannot have two items, so Ren must have Tools.

3. Unload

Scan cargo must come first. Work out which action comes directly after it.

4. Mass

Remove 4 loose units from 19. That leaves 15 for the equal parcels.

5. Slot

The first coordinate C3 means column C, row 3. Its letter is D.

6. Final

E2 is read first; it holds Slot.

Lunar Cargo Manifest

Hint cards - level 3 (spoilers; keep with host)

1. Stock

The known entries leave 13. How much must return to reach the closing stock of 18?

2. Crew

Cross Tools off for the other two people. Apply the last NOT rule, then find Bo's item.

3. Unload

The first two actions are Scan cargo, then Weigh crate. Finish the chain and read position 3.

4. Mass

Share 15 equally among 3 parcels. Substitute one parcel's weight into the second rule.

5. Slot

Begin with D, then read D1, A3, B1 in order. Use the complete word's conversion row.

6. Final

Read slots E2, B2, C2, A2, D2. Copy every stored digit in that order, including zero.
