

Ocean Rescue Radio

HOST ONLY - preparation and story

Includes answers. Keep these pages with an adult.

The birthday team has arrived, but one important part of the celebration is missing. Send a clear birthday signal to a lost paper boat. Collect five named badge digits, then use the final sheet to finish your mission. All the clues you need are printed here. Work together and ask for a hint whenever you want.

1. Print one player pack and two prop sheets per team. Keep all host and hint pages with an adult.
2. Put clue pages 1-5 at the table. Place the final sheet face down until the five badges are collected.
3. Share pencils and choose a reader, recorder and path finder. Swap jobs after each clue.

Players: 4; teams: 1. Print one player and prop set per team. Invitations and certificates: 4 each.

No locks, purchases or cutting required. Keep all clues at a low table. Scissors are optional and for adults only.

Ocean Rescue Radio

HOST ONLY - solution guide

1. Chart: 8

Move exactly one orthogonal square per arrow; copy only the value at the endpoint.

2. Radio: 5

Replace every symbol with its letter, including repeated symbols. Convert the decoded word using the printed table.

3. Boat: 6

Only one card has craters=yes and tail=no.

4. Flag: 2

The matching card has both circle and dots; matching just one property is insufficient.

5. Waves: 4

Align each position in strip A with the same position in strip B. Count every unequal pair once.

6. Final: 54682

grid-placement: Radio > Waves > Boat > Chart > Flag. Keep leading zeroes.
