

Triceratops Supply Desk

Hint cards - level 1 (spoilers; keep with host)

1. Stock

The missing amount is a return into stock. The cancelled delivery never happened.

2. Keeper

No item can belong to two people. Cross out each forbidden pairing.

3. Load

Loose units are not parcels. Every parcel has equal weight.

4. Note

Use the letter under each named shape.

5. Plot

Columns A-D run left to right. Rows 1-3 run top to bottom.

6. Final

Keep all five named badge results beside this sheet.

Triceratops Supply Desk

Hint cards - level 2 (spoilers; keep with host)

1. Stock

Start with 8. Apply +4 then -1. Ignore the cancelled +7.

2. Keeper

Remy cannot have two items, so Remy must have Leaf.

3. Load

Remove 3 loose units from 5. That leaves 2 for the equal parcels.

4. Note

The first two shapes give H then O. Decode the remaining shapes the same way.

5. Plot

The first coordinate C2 means column C, row 2. Its letter is H.

6. Final

Use C1=Stock, C2=Keeper, C3=Load, C4=Note, C5=Plot.

Triceratops Supply Desk

Hint cards - level 3 (spoilers; keep with host)

1. Stock

The known entries leave 11. How much must return to reach the closing stock of 15?

2. Keeper

Cross Leaf off for the other two people. Apply the last NOT rule, then find Remy's item.

3. Load

Share 2 equally among 2 parcels. Substitute one parcel's weight into the second rule.

4. Note

Write HO first, then one letter per remaining shape. Choose the table row matching the whole message.

5. Plot

Begin with H, then read D3, A2, B3 in order. Use the complete word's conversion row.

6. Final

Each wrong record differs in just one column. Cross out all five wrong records, then copy the complete remaining code.
